OFF-ICE

U5, U6 & U7's

U5, U6 and U7's will be photographed in the room beside the zamboni doors.

Due to when the photo sessions could be scheduled this year and time constraints, photo packages will NOT be ready in time for Christmas.

Please share with your players and parents!!!

For every non-perishable food item that is brought that day, the family will receive a digital ballot using the digital spinning wheel app. Once ALL teams have been photographed, Hockey Dad Photography will go on Facebook Live and draw a winning ballot. The player will then win their photo package and the parents will have their money returned.
