**Around the Rink**

Wow, that was a whirlwind three weeks of drafts! Thank you all for your patience as we worked out some unexpected things. We are very excited for the season to begin and to watch some amazing hockey in our new structure.

Thank you to all the volunteers who stepped forward to help run the drafts and sell our 50/50 tickets at the Greyhound games. Without volunteers stepping forward these events couldn't happen. Watch for more opportunities to help us around the rink.

A brief note about some of the jerseys. We were expecting all of them in time for the start of the season, but unfortunately some have been delayed a bit. Some of the jerseys are in and have been handed out. A few sets are delayed but should be ready this week. This is a complicated process getting 60+ teams ordered and sponsors set and we appreciate your understanding as we work to come up with a better process for next season.

Please remember that if you have any problems reach out to the appropriate division coordinator first who will then pass it onto the correct executive member if they cannot answer the question themselves.

Enjoy the season!

Nicole Clouthier
