Around the Rink

Well if you can believe it we are already over 2 months into the season and Christmas is around the corner. It has been very exciting to watch the games so far and to see the growth in the players already!

Out of town tournaments are starting and will be in full swing soon. Please remember to submit your travel permit request as soon as you can, as it is also a busy time in other NOHA affiliated associations and it may take them some time to get to yours. Also, please send a quick email to Cole in the office to let him know. We will do our best to reschedule missed practices, but the only guarantee is rescheduled games.

I want to thank everyone who has come forward to volunteer in any capacity this year. It can be a thankless job, but just know it is appreciated and without all of you our positions would be that much more difficult. If you have an hour or two available to help we always have room for volunteers.

Last month we had the opportunity to host a Soo Thunderbird game here at the Pee Wee arena. It was great to see some of our little players wearing their jerseys supporting the team. We hope to be able to host another in the new year, watch for details.

Steel Blades Tournament

What a great weekend of hockey we had! There were many games where it was decided in the last few minutes, one was decided with 0.6 seconds left and there was a triple OT game in the semi finals. It was wonderful to see the sportsmanship on and off the ice by the teams.

Thank you to all of our off ice workers who put in countless hours to make this a success.

****Congratulations to the winners****

Ken Closs Jamboree

We will be having the Ken Closs Jamboree for ALL Soo Pee Wee hockey teams. As we understand, this is a busy time of year for everyone we have divided the break up into two parts where you will only play in one of the weeks. The Atom/Pee Wee teams will play in the first week of break and the Timbits 4/5 to Novice Major will play the second week. We are working on the schedule, so watch for it to come out

Pictures will be available in the next week to two weeks for pick up.

Your division coordinators will be letting the coaches/managers know when their division's teams pictures are at the Pee Wee and are ready to be picked up.

If you have any stories, pictures or news from your team you would like to share, please email it to:

We will try to include it in the next month's newsletter.
